Chapter 860 Report

In July some of our members attended and helped with the Agent orange town hall meeting that was held in Lewisburg.

On the same day some of our members was at Glen Jean Armory helping with a family fun day for the members there that are to be deployed in the spring..

Our chapter has had several fundraisers since June.

There was only one day during The Mobile Walls week at the State Fair that there wasn't at least one of our members there.

We have helped State Council work on the Mobile Wall Trailer.

Our chapter continues to take up a collection monthly for build a bear ..

We continue to grow and expand and generally have at least 30 VVA/AVVA members present at our monthly meeting
